

New Joiner Onboarding — Day 1 to Week 1 Checklist

Document ID: ONB-NJ-002
Owner: HR Onboarding Team
Status: Approved
Version: 4.1
Last Updated: 2026-03-05
Applies to: All New Joiners, All Towers

Before Day 1

1. Offer letter and background verification (BGV) must be completed; BGV typically takes 7-15 working days.
2. Laptop dispatch is initiated once BGV is marked complete — check status under HR Portal > Onboarding > Asset Tracking.
3. Joining kit email is sent 3 working days before joining date with login credentials for Day 1.

Day 1 Checklist

1. Report to the welcome desk (or join the virtual welcome session link sent by email) at the time specified in your joining email.
2. Collect your laptop, ID badge, and access card (for office-based roles) from IT/Admin desk.
3. Complete the IT setup session: VPN configuration, email activation, Okta/SSO enrollment, and multi-factor authentication (MFA) setup.
4. Complete mandatory Day 1 e-learning on the Learning Portal: Code of Conduct acknowledgement, Information Security Awareness, POSH (Prevention of Sexual Harassment) policy acknowledgement.
5. Meet your HR Business Partner (HRBP) and your reporting manager.
6. Get added to your tower's Teams/Slack channel and project distribution list once project allocation is confirmed.

Week 1 Checklist

1. Complete the full Mandatory Training list (see Mandatory Trainings document, TRN-MAND-009) — most must finish within 7 calendar days of joining.
2. Set up your development environment as instructed by your project's Technical Lead (tools vary by tower — see your tower-specific setup guide).
3. Attend the New Joiner Orientation session covering company history, organization structure, and benefits overview.
4. Submit bank account details and PF nomination via the HR portal if not already done during pre-onboarding.
5. Review and acknowledge the Code of Conduct and Confidentiality Policy (POL-COC-001) — this is mandatory and tracked.
6. Schedule a 1:1 with your reporting manager to discuss role expectations, current project context, and 30-60-90 day goals.
7. Join your tower-specific onboarding channel: AuthEnq, EIS, ITS, Digital, or Operations, depending on your assignment.

Access You Should Have by End of Week 1

1. Email and calendar (Outlook/Exchange)
2. VPN access
3. Confluence and Jira (or tower-equivalent project tools)
4. Project-specific repository access (requested by your Tech Lead, approved by Project Manager)
5. HR Portal (leave, payslips, expense claims)
6. Learning Portal

If Something Is Missing

1. Laptop/asset issues: raise a ticket under IT Helpdesk > Asset Request.
2. Access not provisioned: raise a ticket under IT Helpdesk > Access Request, citing your Employee ID and the specific tool.
3. Training not visible on Learning Portal: contact your HRBP, trainings are sometimes assigned with a short delay after project allocation.
4. General onboarding questions not covered here: contact the Onboarding Helpdesk via HR Portal > Raise a Query > Onboarding.
